### *Reception to Welcome our New Superintendent*

“Friends” and the Bayfield Chamber of Commerce and Visitor Bureau are hosting a reception to welcome Lynne on Wednesday, April 24th, sandwiched between Earth Day and Arbor Day.

***Please join us in getting to know her!***

**What:** Welcoming reception for new superintendent, Lynne Dominy

**When:** Wednesday April 24th - 5:30-7:30pm

**Where:** Apostle Islands National Lakeshore Headquarters, 415 Washington Ave, Bayfield WI

**From Lynne:** "For me, working for the National Park Service is a deep pleasure and immense responsibility. All of us work together to care for landscapes at the heart of many nations, which shape and celebrate many heritages. This National Lakeshore is forever linked to the cultures, lifestyles, and outdoor experiences of the Ojibwe people and other residents of Wisconsin and surrounding states. I am excited to learn from the park staff, listen to surrounding community ideas and needs, and experience every aspect of this wilderness and dynamic watershed. The “Friends of Apostle Islands” are a key partner in building stewards of this landscape and in helping all individuals, organizations, and businesses define their roles in the future of this special place. I look forward to meeting everyone very soon and to celebrating the 50th Anniversary of Apostle Islands National Lakeshore in 2020.”
